

Graphics for Budget Consultation

Easier to understand meetings

Talk about the service reviews and how every area of council services is facing cuts.

The 'jaws of doom' explain need to spend more money because of demand but getting less from govt.

Value & fairness through: keeping people healthy & well, enabling & inclusive communities

Explain the need for value & fairness.

Best value does not always mean less quality.

Can use example of beans in supermarket

Own brand
Versus
label.

Support

Risk

Choice & Control

Direct Payment

Stop abuse taking steps

Safeguarding

The Future

Supporting young people and their families

NHS + Social Care

Assessed Eligible Support Needs

Community

Independence

Healthcare assessment that continues if you have lots of health problems

Independent adult

Support networks

How we want things

How We Want Things

Talk about what a supportive, safe & inclusive community would look like.

How would it feel?

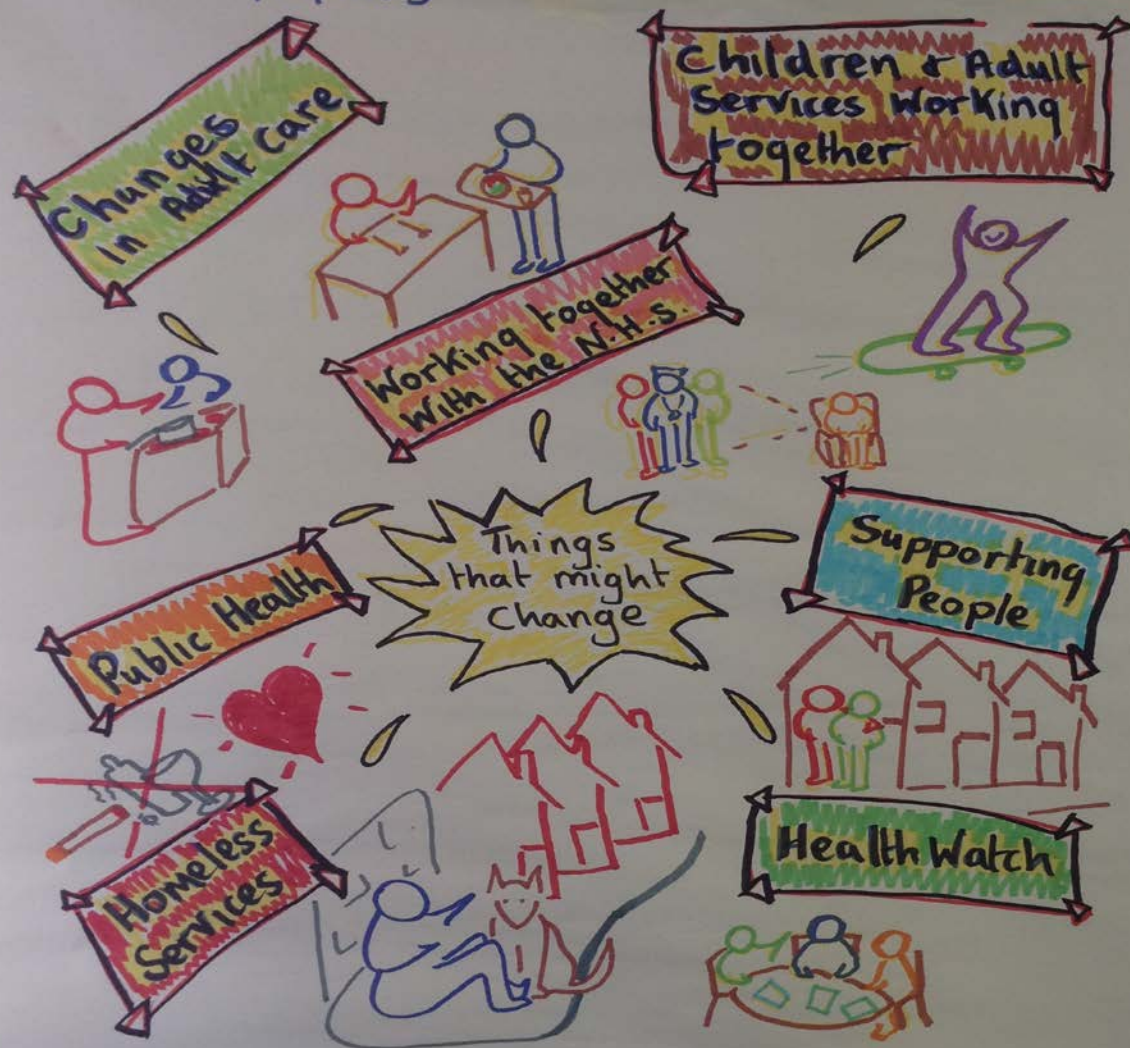

What would need to happen?

Graphic 5

The main headings that the 24 proposals fall under.

Use the consultation document to explain further.

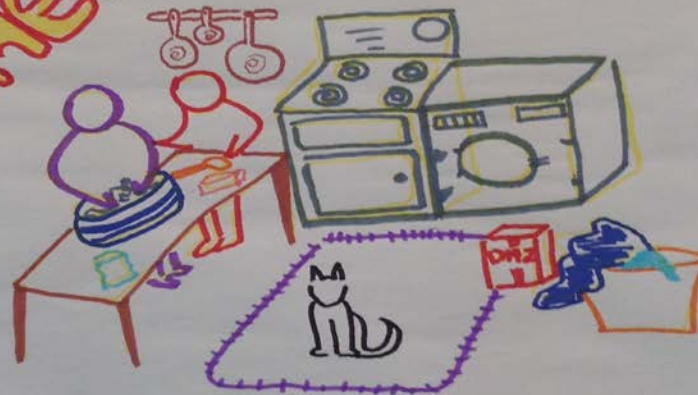

Graphic 7

Shared
Lives

Enablement

Explain
enablement
and how it
helps maintain
independence
and keeps
people out of
residential
care

Explain
what
shared
lives is and
how it
works.

Talk about Specialist care services moving outside of council.

What might this look like and what people feel.
