

Birmingham Cycle Revolution – Route C: Moor Lane

C: Moor Lane

This is a short link that connects College Road to the upgraded towpath on the Tame Valley Canal just south of the M6.

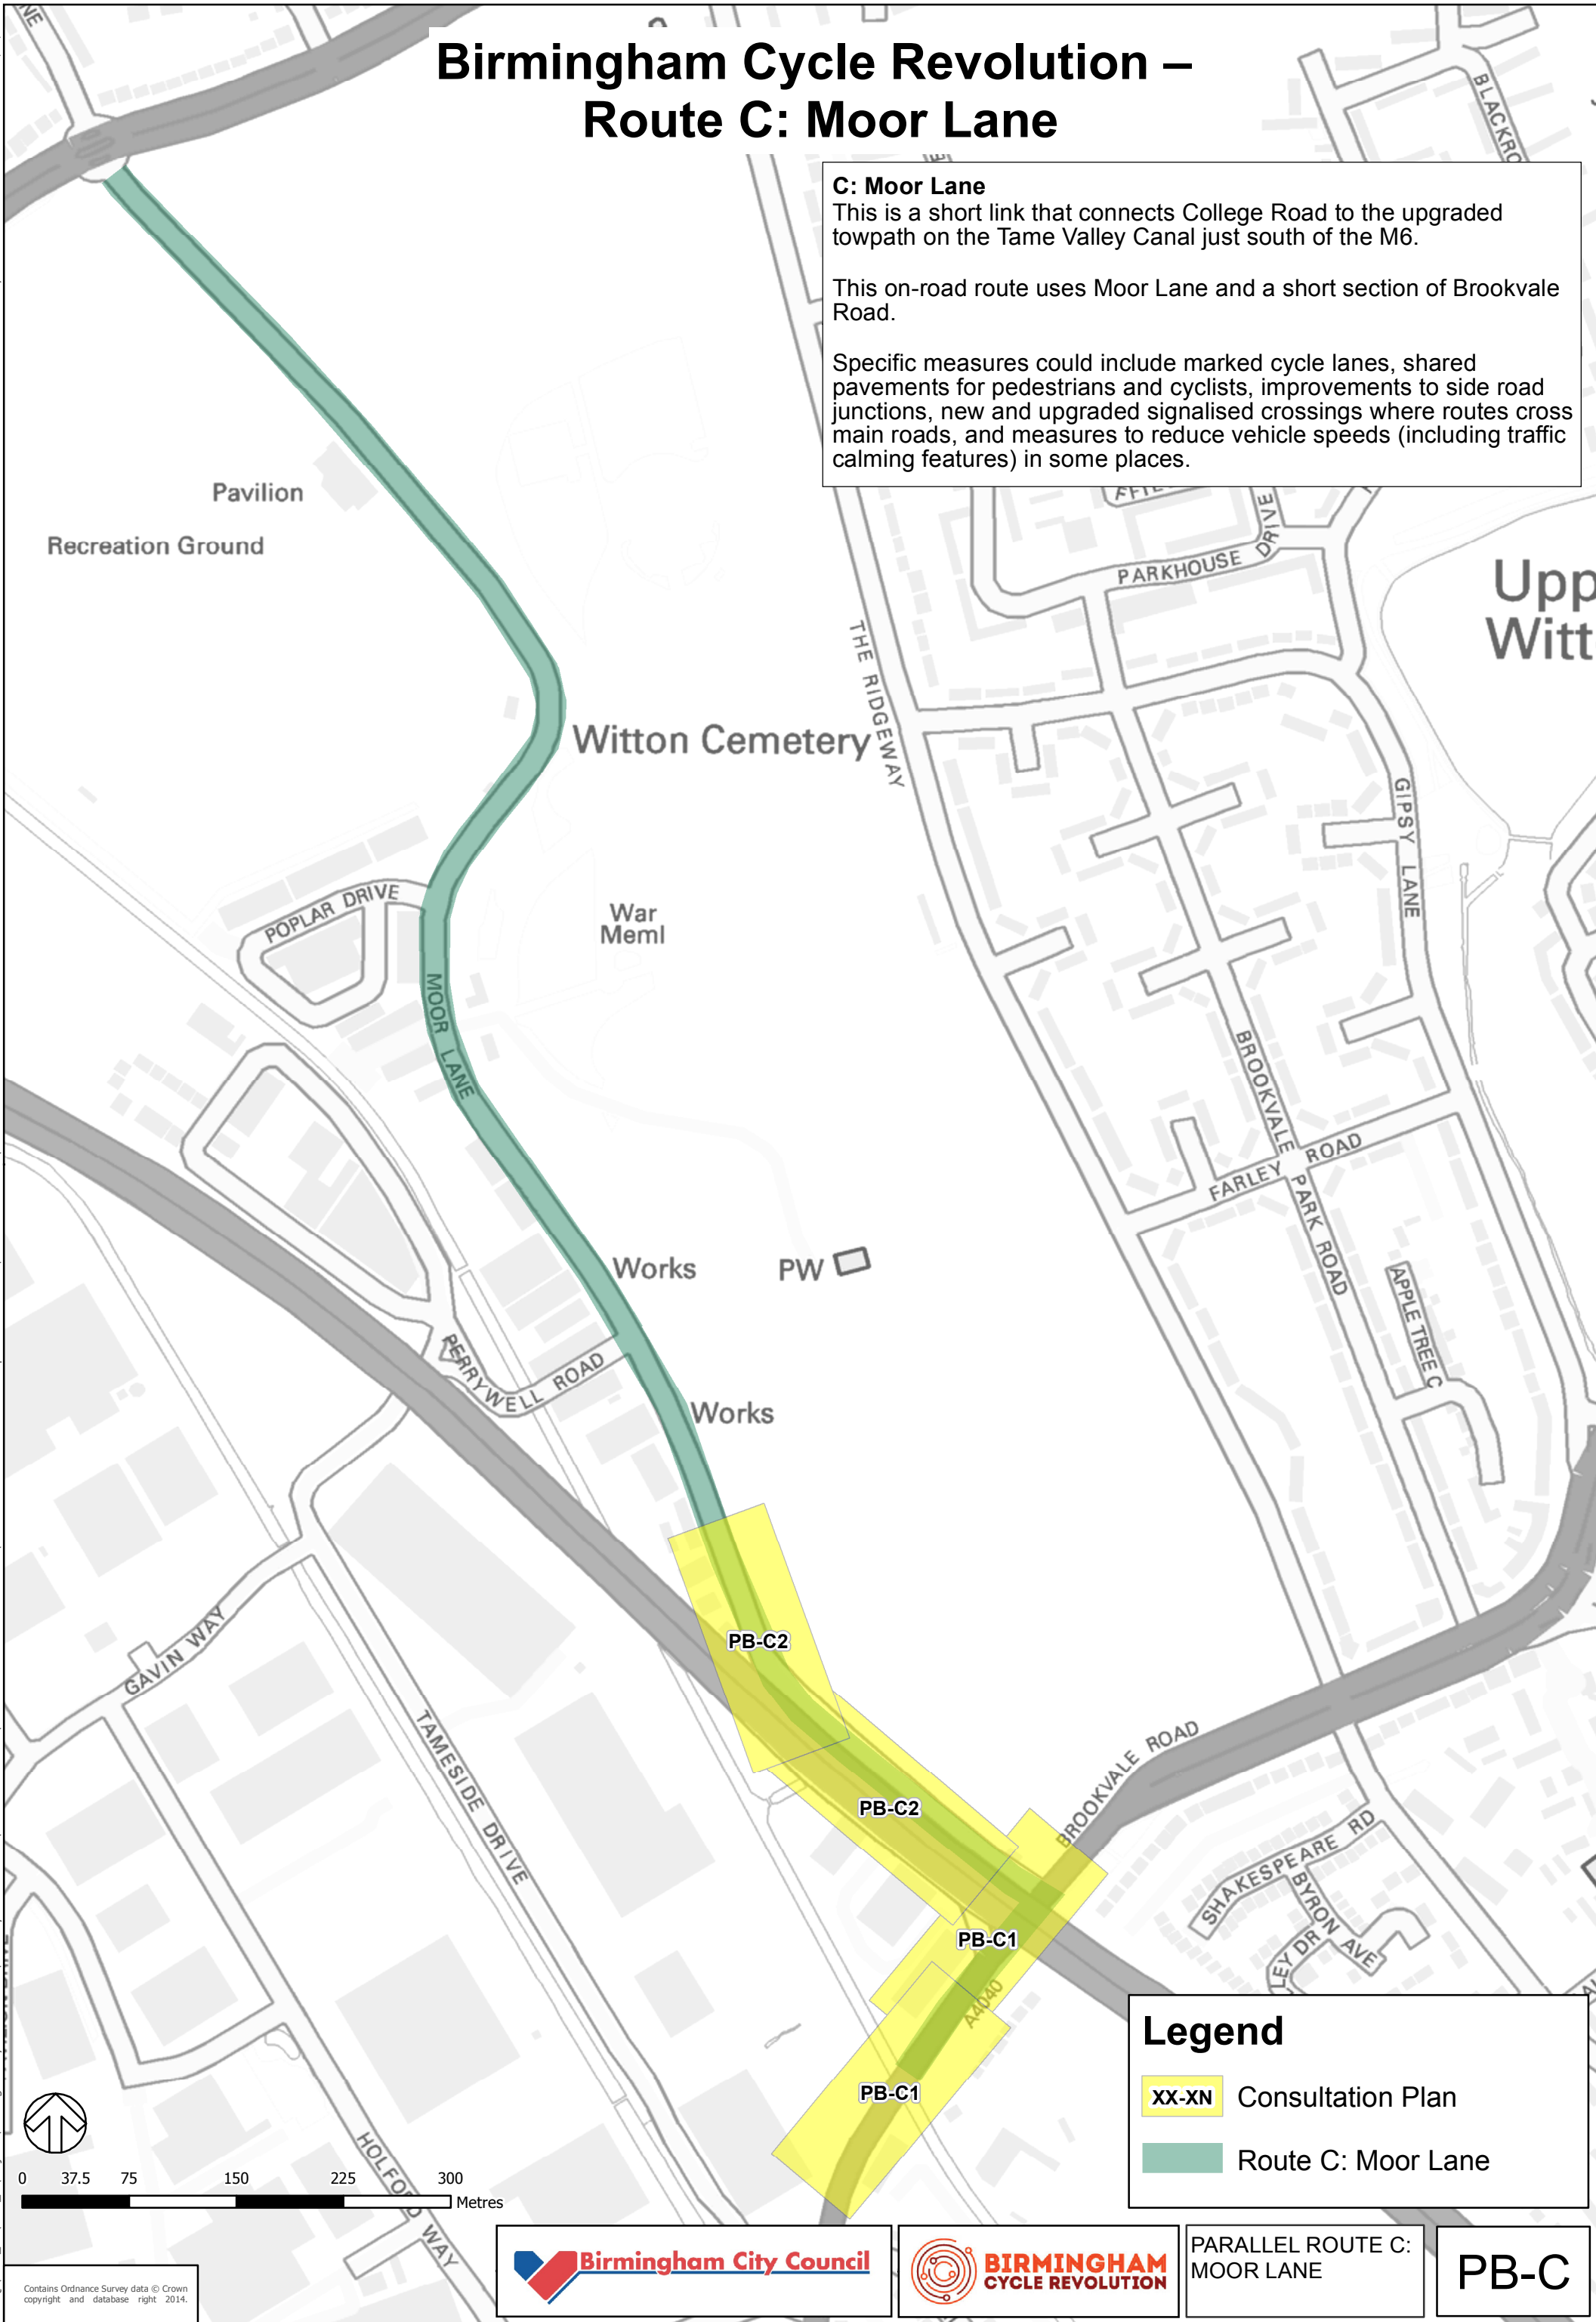

This on-road route uses Moor Lane and a short section of Brookvale Road.

Specific measures could include marked cycle lanes, shared pavements for pedestrians and cyclists, improvements to side road junctions, new and upgraded signalised crossings where routes cross main roads, and measures to reduce vehicle speeds (including traffic calming features) in some places.
