

December 2014

Dear Citizen,

This letter is easy to read.

Please let your parent/guardian know about this letter and the documents. They will help you and may want to comment too.

We want to find out what you think about the ideas to do things differently in Birmingham. The ideas are:

- 1. Birmingham City Council would like to ask care providers to have one contract.**
- 2. Birmingham City Council would like to ask care providers to see how they can best support the needs of young people to ensure that the right care provider is selected.**

These proposals will allow the City Council to choose the best provider for each younger adult.

The consultation period will run from Monday 22 December 2014 to Saturday 31 January 2015.

We won't do anything until after the end of the consultation.

You can also access all of the consultation documentation on the internet at [www.birminghambeheard.org.uk](http://www.birminghambeheard.org.uk)
