Local Improvement Budget: Cranes Park Road Traffic Calming Scheme

Dear Resident/Occupier,

We are currently consulting on the Cranes Park Road Traffic Calming scheme, which forms part of Birmingham's broader Transport Plan, which seeks to meet the demands of the future by prioritising people over cars. Find out more on the council website:

www.birmingham.gov.uk/btp

This traffic calming scheme is being proposed to address speeding issues in the area along and around Cranes Park Road. This project is funded by the Local Improvement Budget – Transportation and Highways Fund, which seeks to address minor transport issues that are identified at a ward level.

The proposals include:

- Refuge island (to provide a safe place for people walking to stop and wait for a gap in traffic) on Shaftesbury Road at its junction with Cranes Park Road
- Pinch points (where the road is narrowed and priority is given to traffic approaching from Church Road) outside house no.32/34 & 45/47 Cranes Park Road
- Domed mini-roundabout at the junction of Parkdale Road/Dovercourt Road and Cranes Park Road
- Pinch points outside house no.130/132 & 133/135 Cranes Park Road (priority is given to traffic approaching from Church Road)
- Pinch points outside house no.176/178 & 179/181 Cranes Park Road (priority is given to traffic approaching from Mapledene Road/Whitecroft Road)
- Pinch points outside house no.220/222 & 225/227 Cranes Park Road (priority is given to traffic approaching from Mapledene Road/Whitecroft Road)

Have your say:

You can view the full details of the proposals and plans, and respond to an online survey at: www.birminghambeheard.org.uk/bcc/cranes-park-road

Or by scanning the QR code with your phone camera.

If you do not have access to the internet, you can request paper copies of the survey by emailing transport.projects@birmingham.gov.uk

The closing date for responses is **Friday 9 January 2026**.

What happens next?

After the consultation closes, we will review all responses and make any necessary changes to the scheme.

If you have any questions about the proposals or require any assistance with the consultation materials, please email transport.projects@birmingham.gov.uk

Yours faithfully,

Transport Projects, Birmingham City Council
