Safer School Journeys – Alston Primary School

Dear resident,

Safer School Journeys is a city-wide programme designed to make streets around schools safer, healthier and more welcoming for pupils, families and the wider community.

It helps schools tackle road safety concerns, improve local air quality, and encourage more children and families to walk, wheel and cycle.

Alston Primary School has been selected for improvements as part of this programme.

To do this we are proposing to introduce:

- A one-way on Repton Road (from Belchers Lane to Kenwood Road) to improve access and safety
- Raised crossing points to improve safety for people walking and wheeling
- Speed humps to reduce traffic speeds
- Junction narrowing to slow vehicles and improve visibility
- Widen pavements to provide more space for people walking and wheeling
- No waiting restrictions (double yellow lines) at junctions to improve access and safety
- Tree planting to improve the look and feel of the area

These improvements will help reduce road danger, improve air quality, and create a safer, healthier, more pleasant environment for everyone.

Have Your Say

We want to hear your views on these proposals.

- **Online survey:** <https://www.birminghambeheard.org.uk/bcc/ssj-alston>
- **Drop-in event:** Thursday 16 July, 3:45pm-5:00pm at Alston Primary School, Alston Road, B9 5UN
- You can also email us at saferschooljourneys@birmingham.gov.uk.
- The closing date for responses is **Friday 24 July 2026**.

Thank you for helping make the journey to school safer, healthier and more pleasant for everyone. You can find more details at: www.birmingham.gov.uk/schoolstreets.
