Safer School Journeys – Mayfield School

Dear resident,

Mayfield School has been selected for improvements through Birmingham's Safer School Journeys programme, which aims to make streets around schools safer, healthier and more welcoming.

We are proposing to introduce:

- Clearer signs and coloured road surfacing to make drivers aware they are entering an area with a school.
- Wider pavements on Heathfield Road to give people more space for people walking and wheeling
- New crossing points on Heathfield Road to make crossing the road easier and safer.
- Bollards to stop vehicles parking on pavements.
- Narrower junctions at Gordon Road and Crompton Road to help slow traffic and improve visibility.
- Improved bus stop and road markings to help keep key areas clear and make journeys safer.
- Additional parking and loading restrictions to improve safety and access.
- New trees, planting, seating and cycle parking to improve the look and feel of the area.

See plan overleaf

These improvements will help reduce road danger, improve air quality, and create a safer, healthier, more pleasant environment for everyone.

Drop-in event

Come along to view the plans, ask questions and share your views with the project team.

When: Monday 12 October, 4.00pm to 5.00pm

Where: Mayfield School, Heathfield Road, B19 1HJ

Please take a few minutes to complete the online survey and share your ideas. The survey closes on Friday 23 October 2026.
