Safer School Journeys – Ninestiles, an Academy

Dear resident,

Safer School Journeys is a city-wide programme designed to make streets around schools safer, healthier and more welcoming for pupils, families and the wider community.

It helps schools tackle road safety concerns, improve local air quality, and encourage more children and families to walk, wheel and cycle.

Ninestiles, an Academy, has been selected for improvements as part of this programme.

To do this we are proposing to introduce:

- A one-way on Hartfield Crescent (from Fox Hollies Road to Greenwood Avenue) to improve access and safety
- Speed humps to reduce traffic speed
- Junction narrowing at both ends of the road, including raised crossings to slow vehicles and make it easier and safer for people to cross the road
- No waiting restrictions (double yellow lines) to improve access and safety
- Bollards or planters to stop parking on pavements
- Tree planting, landscaping, seating and cycle parking to improve the look and feel of the area

These improvements will help reduce road danger, improve air quality, and create a safer, healthier, more pleasant environment for everyone.
