

**September 2026**

## **Safer School Journeys – Regents Park Community Primary School**

Dear resident,

Safer School Journeys is a city-wide programme to make streets around schools safer, healthier and more welcoming.

Regents Park Community Primary School has been selected for improvements as part of the programme.

### **We are proposing:**

- Clearer signs and coloured road surfacing, to highlight the school area.
- Raised crossings at Camelot Way and Arthur Street slow traffic and make crossing safer.
- Wider pavements at Arthur Street, Darnel Croft, Bassett Croft and Cooksey Road to make crossing easier.
- Bollards at crossing points to keep them clear of parked vehicles.
- Closure of part of Camelot Way to create a safer, quieter space with opportunities for future community improvements.
- Parking/waiting restrictions on Arthur Street and Dixon Road to help manage parking and keep key areas clear.

**See plans overleaf**

These improvements will help reduce road danger, improve air quality, and create a safer, healthier, more pleasant environment for everyone.

### **Drop-in event**

Come along to view the plans, ask questions and share your views with the project team.

**When:** Tuesday 6 October, 3.15pm to 4.45pm

**Where:** Regents Park Community Primary School

Please take a few minutes to complete the online survey and share your views.

**Survey closes on: Friday 23 October 2026**
