Please note that previously received objections to this scheme will be considered alongside any new objections.

Further details of these proposals can be viewed on-line and comments given at: birminghambeheard.org.uk (look for BCR A38 Selly Oak to City Centre Cycle Route). The draft Orders which, together with the plans, a statement of the Council's reasons for the proposals and relevant technical information, may also be examined (by appointment) during normal working hours at:

Copies of this letter will be delivered to frontages directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,
