**TO WHOM IT MAY CONCERN**

Dear Sir/Madam,

**LOZELLS LOW TRAFFIC NEIGHBOURHOOD  
EXPERIMENTAL TRAFFIC REGULATION ORDERS**

The purpose of this letter is to make residents and businesses more aware of the introduction of Experimental Traffic Regulation Orders in their locality. It is additional to the notification which is legally required and laid down by statutory procedures. With this in mind **a copy of a Public Notice indicating the Council's proposals is reproduced on the reverse side of this letter** and I would draw your attention to its contents.

Full details of these proposals are in the Experimental Orders which, together with the plans and a statement of the Council's reasons for the proposals, will be made available on request. **(Contact Alex Curnyn Tel: 0121 303 7532: email: [transport.projects@birmingham.gov.uk](mailto:transport.projects@birmingham.gov.uk))**

Copies of this letter will be delivered to frontagers directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,

Stephen Pritchett
