9th November 2015

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

HOCKLEY AREA – 20MPH SPEED LIMIT PROPOSED TRAFFIC REGULATION ORDER

In autumn 2013 you were consulted on proposals to introduce a 20mph speed limit on various roads. The responses to the consultation have been considered and some changes have been made to the original proposals. The purpose of this letter is to make residents and businesses more aware of proposals to introduce Traffic Regulation Orders in their locality. It is additional to the notification which is legally required and laid down by statutory procedures. With this in mind **a copy of a Public Notice indicating the council's proposals is reproduced on the reverse side of this letter** and I would draw your attention to its contents.

Full details of the Order, together with the plans and a statement of the council's reasons for the proposals are available on www.birminghambeheard.org.uk or may be examined by appointment during normal working hours at the Ladywood District Office, Summerfield Community Centre, Winson Green Road, B18 4EJ or Highways, 1 Lancaster Circus Queensway, Birmingham B4 7DQ. **Contact Rajpreet Mander on 0121 675 4401 or email transport.projects@birmingham.gov.uk.**

Copies of this letter will be delivered to frontages directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,

Carolyn Harris
TRO Engineer
