TO WHOM IT MAY CONCERN

Dear Sir/Madam,

VARIOUS ROADS, LADYWOOD PROPOSED TRAFFIC REGULATION ORDER

The purpose of this letter is to make residents and businesses more aware of proposals to introduce Traffic Regulation Orders in their locality. It is additional to the notification which is legally required and laid down by statutory procedures. With this in mind **a copy of a Public Notice indicating the Council's proposals is reproduced on the reverse side of this letter. Also attached are a list of FAQs and a plan showing the extents of the three residents parking areas.** I would draw your attention to their contents.

Please note there will be temporary traffic management arrangements in place on Sherborne Street to accommodate major development works for a period of approximately 18 months. During this time residents will not be able to park along some sections of Sherborne Street.

Full details of these proposals can be viewed on-line and comments given at **birminghambeheard.org.uk**. The draft Order, together with the plans and a statement of the Council's reasons for the proposals, may be examined (**by appointment**) during normal working hours at the Local Engineer's Office, Summerfield Community Centre, Winson Green Road, Birmingham, B18 4EJ or 1 Lancaster Circus Queensway, Birmingham B4 7DJ. (**Contact Tanweer Araf Tel: 0121 675 4414: email: transport.projects@birmingham.gov.uk**).

Copies of this letter will be delivered to frontagers directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,

Carolyn Harris
