Dear Chris,

As you may know, in view of the current situation, I am emailing you rather than writing to you as I usually would.

Thank you for your email and attached letter in which you raise concerns about permissive routes in and around the Peddimore Development.

I do appreciate the concerns which you raise and your request that these routes be designated as 'Public Rights of Way' and I have therefore written to the Chief Executive of Birmingham City Council with the request that he examines your concerns in the necessary detail.

I will come back to you as soon as I receive a response to my representations on your behalf.

With kind regards,

Andrew

Rt Hon Andrew Mitchell MP
