

What will the development look like?

The residential scheme

The development will provide approximately 1,400 new homes, including a mixture of apartments, town houses and extra care accommodation, commercial elements at ground floor and significant new public open space. The 'Hare of the Dog' public house will be retained and renovated.

Scale and Massing

The proposed development will range in height from three storey town houses up to a 15 storey apartment building.

The diagrams below shows the proposed storey heights.
