

STATEMENT OF REASONS

BIRMINGHAM CITY COUNCIL
(SHEEPCOTE STREET ETC LADYWOOD)
(TRAFFIC REGULATION)
ORDER 201*

Birmingham City Council propose to make a permanent Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to introduce a bus lane on part of Sheepcote Street, and to alter the existing parking and loading restrictions. The scheme also amends movement restrictions on St Vincent St and Grosvenor Street West as shown on the attached plan (EDG-DEV-ZZZ-ZZ-DR-ZZ-0006).

The Sheepcote Street etc. bus lane scheme is located in the Ladywood Ward Ladywood Constituency. It is part of Birmingham City Council's (BCC's) proposal to discourage Sheepcote Street as a through route for traffic and improve bus journey reliability, and reducing reliance on car journeys through encouragement of modal shift.

The formal reasons for proposing the new Order are:

- a) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians)
