TO WHOM IT MAY CONCERN

Dear Sir/Madam,

**SOUTHSIDE PUBLIC REALM IMPROVEMENT
PROPOSED TRAFFIC REGULATION ORDERS**

The purpose of this letter is to make residents and businesses more aware of proposals to introduce Traffic Regulation Orders in their locality. It is additional to the notification which is legally required and laid down by statutory procedures. With this in mind **a copy of a Public Notice indicating the Council's proposals is reproduced on the reverse side of this letter** and I would draw your attention to its contents.

Full details of these proposals are in the draft Orders which, together with the plans and a statement of the Council's reasons for the proposals, will be made available on request or can be viewed at www.birminghambeheard.org.uk/economy/southsidepr_tro. However, if you would like to discuss this scheme in detail please contact Jas Chahal (Tel: 0121 303 7532; email: transport.projects@birmingham.gov.uk) who will be able to assist with any queries you may have relating to this proposed traffic scheme.

Copies of this letter will be delivered to frontagers directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,

Craig Newton
