TO WHOM IT MAY CONCERN

Dear Sir/Madam,

**PROPOSED TRAFFIC REGULATION ORDERS
A45 SPRINT, BORDESLEY CIRCUS TO SOLIHILL BOUNDARY.**

The purpose of this letter is to make residents and businesses more aware of proposals to introduce Traffic Regulation Orders in their locality. It is additional to the notification which is legally required and laid down by statutory procedures. With this in mind **a copy of a Public Notice indicating the Council's proposals is reproduced on the reverse side of this letter** and I would draw your attention to its contents.

Full details of these proposals are in the draft Orders which, together with the plans and a statement of the Council's reasons for the proposals, will be made available on request or, can be viewed at www.birminghambeheard.org.uk. Any general questions or enquiries relating to the Sprint rapid bus project should be directed to the Customer Services team at sprintenquiries@tfwm.org.uk, quoting reference 107556 or by calling 0345 303 6760 (option 2, followed by option 3).

Copies of this letter will be delivered to frontagers directly affected by the proposals. Meanwhile, to ensure that these measures are made known to all parties who may be affected by them, i.e. landlords, owners, freeholders etc., I would be grateful if you could bring the contents of this letter to the attention of any persons with an interest in your property.

Yours faithfully,

Paul Lucas
