

TO THE OCCUPIER

24 May 2022

Dear Sir/ Madam,

Proposed Pedestrian Crossing upgrade - Tangmere Drive

As part of the Better Streets Community Fund scheme, Birmingham City Council, in conjunction with Transport for West Midlands is planning to upgrade the existing uncontrolled pedestrian crossing to become a controlled Dual Crossing for pedestrians and cyclists. We would like to know what you think about our proposals for this proposal.

The proposed improvements mean that whereas at the moment there is a crossing over both carriageways at Tangmere Drive, that has no signalling, a new crossing featuring belisha beacons will be put in place, and the road markings will clearly set out where pedestrians and cyclist can cross.

You can find more details of the proposals, including maps, and have your say at www.birminghambeheard.org.uk/economy/tangmere.

Have your say

We want to hear from people in the community; please tell us what you think of these new proposals for your area.

The consultation will open on **Wednesday 25th May** and run until **Friday 24th June 2022**.

Full details of the proposals can be viewed online via the Birmingham City Council Be Heard website: www.birminghambeheard.org.uk/economy/tangmere.

If you do not have access to the internet and would like to see the plans, we can arrange to post paper copies to you.
