Birmingham Cycling Infrastructure Plan

| | | Birmingham Cycling Infrastructure Plan | |
|---|---|--|--|
| | | | |
| Ref. | Proposed cycle route | Potential improvements | Route type |
| | Handsworth - Hawthorns | Signed advisory route on side roads to connect Handsworth with green (Metro parallel) route to West Brom, or possible alternative green route Green route | Signed route Green route |
| | Sandwell Valley - Tame Valley Queslett-Great Barr | Signed advisory route along various roads | Signed route |
| 4 | | | ÷ |
| 4 | A34 Perry Barr Extension to Walsall Regional Priority Route | Two-way segregated cycle track | Footway/ cycle track |
| | A453, B4138, Perry Barr to Sutton Coldfield Regional Priority Route | Two-way segregated cycle track | Footway/ cycle track |
| | Perry Barr Local Network | Including new east-west connection through BCU site/ athletes' village/ new housing site, Connections to Alexander Stadium/ Perry Park from A34 and Aldridge Road, Link to Food Hub via Oscott Road, signed advisory route to Perry Hall Park via One Stop/ Regina Drive | Local network |
| | Monmouth Drive, Sutton | Footway/ cycle track in verge (north side) | Footway/ cycle track |
| 8 | Wylde Green - Witton Lodge | Signed advisory route along various roads | Signed route |
| 9 | Chester Road Station - Sutton Coldfield | Signed advisory route along Green Lanes, the Boulevard, Eastern Road, Goldieslie Road | Signed route |
| 10 | Erdington - Sutton Coldfield | Signed advisory route along Orphanage Road, Beech Hill Road, Hillcrest Road, Hawthorn Road, St Bernards Road, Pilkington Avenue | Signed route |
| | M6 Junction 6 (alternative via Salford Park) | Development of a new green route between Lichfield Road (via Salford Park and canal) and Brookvale Park, CCTV | Green route |
| 12 | M6 Junction 6 Salford Circus (Aston - Erdington) | Improvements to subways and their connections | Footway/ cycle track |
| | Royal Sutton Coldfield Town Centre Local Network | Various area-wide improvements | Local network |
| 14 | Langley and Peddimore Local Network | New green routes through Langley and Peddimore developments including existing Rights of Way and new cycle tracks/ footways and signed advisory routes between Langley, Peddimore and key Sutton destinations (Hospital, town centre, railway stations) | Green route |
| 15 | A47, A38, B4148 Fort Parkway - Langley/Walmley Regional | Mixed route: cycle track and signed advisory route on side roads | Footway/ cycle track |
| 16 | Priority Route Chester Road | Completion of missing links, upgrades and enforcement of existing cycle tracks | Footway/ cycle track |
| 7 | Water Orton - Minworth | Signed route | Signed route |
| | Wheelwright Road, Erdington | Signed advisory route along Wheelwright Road connecting Bromford Lane, A47, canal and Gravelly Hill Station | Signed route |
| 9 | Aston Church Road viaduct (HS2) and local links | Mixed route including Aston Church Road viaduct (HS2) – extended cycle tracks, advisory route on Warren Road | Mixed |
| 0 | Saltley Viaduct (HS2) and local links | Mixed route including Saltley Viaduct (HS2) – extended cycle tracks, and advisory routes to Alum Rock | Mixed |
| | Vauxhall Road Green Route (HS2 Interface) | Cycle track linking green spaces in Nechells | Green route |
| 2 | Bromford Lane/ Washwood Heath Depot (HS2) | Bromford Lane – conections to HS2 depot, Washwood Heath | Footway/ cycle track |
| | Tame Valley Green Route, Bromford Drive | Green route alongside Bromford Drive between Bromford Lane and Chester Road, with links to schools on Dreghorn Road | Green route |
| 4 | Tame Valley Green Route, Park Hall (HS2 Interface) | Green route Chester Road - Water Orton | Green route |
| 5 | Park Hall - Water Orton (HS2 interface) | Cycle track along B4118 Birmingham Rd | Footway/ cycle track |
| 6 - | Ward End Park | · · · · · · · · · · · · · · · · · · · | Green route |
| 7 | Ward End Park - Stechford | Green route improvements through park and signed advisory route to Stechford | Green route |
| 8 9 | Stechford Local Network Cole Hall Lane | Area-wide improvements including Iron Lane LGF and Urban Centres proposals Cycle track along Cole Hall Lane | Local network Footway/ cycle track |
| 9 0 | Heartlands Hospital connections, Bordesley Green East | Cycle track along Bordesley Green East | Footway/ cycle track |
| 1 | Meadway | Signed advisory route along service roads | Signed route |
| 2 | East Meadway/ Cooks Lane | Signed advisory route | Signed route |
| | Lea Hall/ Kent's Moat Local Network | Area-wide improvements including housing regen. and Urban Centres proposals | Local network |
| 4 | Heather Road - Heartlands, Small Heath | Signed advisory route | Signed route |
| 5 | Oakfields Recreation Ground, Yardley | Green route improvements through park and | Green route |
| 6 | Church Road, Yardley | Signed advisory route | Signed route |
| | Garrets Green | Mixed route, mostly off-road | Mixed |
| 8 | A45 Birmingham to Solihull (Coventry Road corridor) Regional Priority Route | Mixed route: cycle track and signed advisory route on side roads | Mixed |
| 9 | Ackers and Cole Valley Canal access | New ramp or bridge for Cole Valley | Canal towpath |
| 0 | Tyseley - Acocks Green | Mixed route | Mixed |
| | Woodcock Lane, Acocks Green | Signed advisory route | Signed route |
| 2 | Priory Road/ Edgbaston Park Road | Cycle track connecting Bristol Road to Rea Valley Route | Footway/ cycle track |
| | Moseley links | Including A38 to Moseley (mixed cycle track and quiet roads) via Priory Road, Edgbaston Road, Park Hill and Chantry Road, and connections to Kings Heath via School Road | Signed route |
| 4 | Chad Brook Green Route | Green route Harborne to Edgbaston | Green route |
| 5 | Selly Oak Local Network | Various area-wide improvements including Selly Oak Triangle, Life Sciences access paths and crossings, Vincent Drive cycle track, Bournbrook High Street crossings, Bournville connections from old Selly Oak Hospital, signed routes to Harborne Walkway, Selly Park, Kings | Local network |
| | | Heath | |
| 6 | Lapal Canal University links: Selly Oak (University of Birmingham) - Bartley | Green route along reinstated Lapal Canal Signed advisory route with junction improvements via Gibbins Road, Weoley Park Rd, Weoley Castle Road, Senneleys park Road, Cromwell | Green route |
| | Green (Newman University) | Lane | Signed route |
| 8 | Senneleys Park Green Route, Bartley Green | Green route from Newman University towards Weoley | Green route |
| | | | Signed route |
| 9 | Mary Vale Road and Hunts Road, Stirchley | | - |
| 9 0 | Brandwood Park Road, Allens Croft | Advisory route from NCN5 along Brandwood Park Road | Signed route |
| 9 0 1 | Brandwood Park Road, Allens Croft Allens Croft - Druids Heath Green Route, across Chinn Brook | Advisory route from NCN5 along Brandwood Park Road Green route across open space | Signed route Green route |
| 9 D 1 2 | Brandwood Park Road, Allens Croft Allens Croft - Druids Heath Green Route, across Chinn Brook Bells Lane, Druids Heath | Advisory route from NCN5 along Brandwood Park Road Green route across open space Cycle track along north side | Signed route Green route Footway/ cycle track |
| 9 D 1 2 3 | Brandwood Park Road, Allens Croft Allens Croft - Druids Heath Green Route, across Chinn Brook Bells Lane, Druids Heath Rea Valley - Valley Parkway - Manor Farm Park local links | Advisory route from NCN5 along Brandwood Park Road Green route across open space Cycle track along north side Mostly signed advisory route with crossing improvements via Popes Lane, Woodlands Park Road, Mulberry Road, Windmill Hill, Wynds Point, Royal Orthopaedic Hospital, Manor Farm Park | Signed route Green route Footway/ cycle track Signed route |
