Dear Parents, Carers, Staff and Other Stakeholders,

School Organisation Proposals by The Interim Executive Board of Al-Furqan School: Change of Category from Voluntary Aided to Voluntary Controlled

I am writing to inform you of the proposals that the Interim Executive Board of Al-Furqan School is planning to publish.

- **Change of category from Voluntary Aided to Voluntary Controlled with effect from 1st September 2022.**

(Note: this does not change the religious character of the school; it will remain a Muslim School.)

In order to make these changes the Interim Executive Board will need to formally consult with all stakeholders in two parts and follow a formal process that is set out by law (school organisation process).

- **This letter is to inform you that part 1 of school organisation process, the informal 'pre-publication', will start: Tuesday 25th January 2022 and will run until Monday 14th February 2022.**

For this informal part of the process a pre-publication document has been produced with details of:

- the planned changes
- the school organisation process
- how the final decision will be made.

The document and online survey for part 1 are available at:

www.birminghambeheard.org.uk/people-1/al-furqanpart1

Official/Personal

There will also be a consultation session at the school for parents/carers, date and time details are included in the proposal document found at the above link.

Part 1 - Comments and initial questions can be submitted via the online survey and will be considered by the IEB before progressing to part 2 of the consultation process. (Please note: Comments received during part 1 will be for the IEB to consider in collaboration with the Local Authority; and are not shared with the final decision maker*.)

Part 2 - We will write to you again at the start of part 2, the four-week formal consultation (the 'representation period'). At the start of the formal consultation we will provide an updated full proposal document with links to a new BeHeard website and with further information on how you can participate in the formal consultation and make your views known. (*Only comments received during part 2 will be forwarded to the decision maker for their consideration.)

Yours sincerely,

Sylvia Fry
Chair of Interim Executive Board: Al-Furqan Primary School
