

## Staying independent

- Living in the community of your choice
- Given the right tools to stay independent

## Choice

- Given choice and flexibility
- Person centred decision making

## Family/household

- Taking into consideration all those in household
- Understanding carers and support networks available

## Communication

- Listening to the persons wishes
- Keeping people updated and communicated on progress

## Information

- Making information on how to stay independence at home
- Using more than just digital communication methods

## Decision making

- Put the person at the heart of the decision making
