Harborne Primary School

Revocation of Expansion Proposal

Notice is given that the Governing Body of Harborne Primary School is no longer intending to implement the proposal published on 3rd November 2014.

The proposal was:

To expand Harborne Primary School by expansion onto an additional Site.

The Governing Body has decided not to implement the proposal because it has not been possible to resolve the difficulties with the planning process relating to the Lordswood School's site where the annex was to be built.

Within four weeks from the date of this proposal, any person may object to or comment on the revocation proposals. Any person wishing to make representation about these proposals should either make comments through the Beheard website: www.birminghambeheard.org.uk/people-1/harbornerevocation or in writing to the School Organisation Team, Education & Skills Infrastructure, PO Box 15843, Birmingham B2 2RT.

The date by which comments must be received is 6th October 2017.

Birmingham City Council is proposing to issue a fresh proposal for the enlargement of Harborne Primary School by the provision of an annex to the school at an alternative site in the near future.

Signed:

Karen Mackenzie
Chair of Governors
