Yes

If you selected no or not sure, please tell us why?:

10 Any further comments?

Please use box below if you would like to make any further comments:

I wonder if a programme of work could be put together that went into all schools /educational settings looking at the various routes into homelessness .Hopefully helping young peoples to be aware of and so more able to identify events that could be putting them at risk of becoming homeless in the future . This awareness would aim to work in a preventative way and encourage young people to seek help and support .

11 About You: Please state your age group.

Age group:

Prefer not to say
