7 Do you agree with our rough sleeping crisis response approach and actions?

Unsure

If you selected no or not sure, please tell us why?:

what about support for people in HMOs or temporary accommodation in neighbourhoods - there aren't any that I see in my area - Handsworth - and this causes tensions but also I imagine a lot of these vulnerable adults end up back on the streets. Where are the outreach workers or addictions workers in the communities to help people make the change? The landlords could subsidise this

8 Do you agree with the approach to rough sleeping recovery and additional actions?

Not Sure

If you selected no or not sure, please tell us why?:

I do support it but the same issue as before - and the employability support is good in theory but in practice, aren't rents are too high for people on low wages - and post Covid there will be fewer jobs

9 Do you agree with the approach and priority actions for helping people to move-on from rough sleeping?

Yes
