#### 4 Do you agree the our overall approach of the strategy?

Not Sure

If you selected no or not sure to this question please tell us why?:

I believe we need more services which help support families to mediate, we need more suitable safe emergency accommodation which does not pose safeguarding risks (exposure to drugs, violence, mixed sex and age groups).

More support with resettlement.

Overall we need a holistic approach which works at ground level much I ke the charity work which actually makes a difference on the streets working directly with people who are experiencing homelessness without all of the red tape.

#### 5 Do you agree with our universal level approach and actions for preventing rough sleeping?

#### 9 Do you agree with the approach and priority actions for helping people to move-on from rough sleeping?

Not Sure

If you selected no or not sure, please tell us why?:

Mental health and drug addiction and recovery services need to be greatly improved in Birmingham. They work for very few people the waiting lists are too long and the actual quality of the treatment is poor in my experience.
