Yes

If you selected no or not sure to this question, please tell us why?:

Yes, SIFA and BCC tried to support me and provide accommodation, but it was the choice to still live in the tent. I am a little bit afraid that after COVID-19 I can lose my accommodation. Also, I don't take any drugs so I am afraid to be in the shared house with people that I don't know. I heard a lot of stories from my friends.

7 Do you agree with our rough sleeping crisis response approach and actions?

Yes

If you selected no or not sure, please tell us why?:

The people from Outreach Team come very often, sometimes they gave me food parcel and their check how am I. I feel safe and secured. I know that I can always ask about support. Sometimes people from the city come and gave me money, toiletries, etc. Anyway, I attend SIFA on a daily base to take a shower, eat breakfast.

Sifa booked for my an appointment with Consul, 21st of September I will receive a passport and will be able to apply for Settled Status. I don't have to worry about my immigration status.
