School Organisation – Statutory Proposal: Establish Special Resource Provision

Dear Parents, Carers, Staff, Governors and other stakeholders,

I am writing to inform you that Birmingham City Council (the Council) is publishing the following statutory proposal, in close collaboration with the leadership and governing body of St Benedict's Primary School (the School):

- Resource Base for up to 36 pupils which will be implemented over three phases:
 - 12 in September 2024
 - 12 in September 2025
 - 12 in September 2026
- Type of need: Cognition & Learning/Autistic Spectrum Disorder

The School is a community special school rated 'Good' by Ofsted. The School has a capacity of 420 pupils. The School does not currently have a formalised Resource Base. In collaboration with the Council it is proposed that the School establish a SEN resource base.

It is due to the steadily growing demand for this type of provision in Birmingham, that the Council, working closely with the School, are making this proposal.

The statutory consultation for this proposal will last four-weeks from 12th April 2024 to 10th May 2024, this is known as the "representation period".
