

PERRY PARK ENHANCEMENT

Creating space for more physical activity

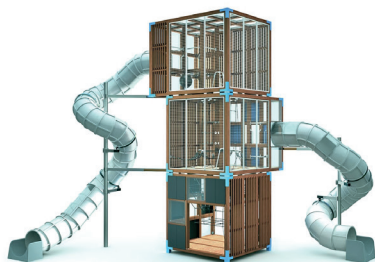

As part of the Perry Park enhancements, we are proposing a new play facility suitable for different age groups and abilities. This pamphlet provides illustrative examples of the type and scale of play equipment we are considering within the play area shown on the masterplan. Other types of equipment may also be provided, such as rings, swings and sensory play, dependent upon funding.

So that we can ensure a fantastic play experience for all, we want to know your thoughts. Using the illustrative examples provided, please consider your personal vision for the play facility and the play equipment you would like to see featured. If you have children or work with children, your insight would be especially helpful in shaping our plans.

Please refer to the leaflet for details on how you can submit your feedback. When referencing an illustrative example, please use the reference number listed below the image (i.e, A1 – Signature Junior Multiplay).

A1: Signature Junior Multiplay
Hags – UniPlay Enzia (5-12yrs)

A2: Signature Junior Multiplay
Jupiter Play – Halo Cubic (6yrs +)

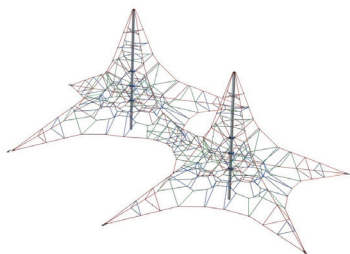

B1: Junior Multiplay
Sutcliffe Play – St Helier (2-6yrs)

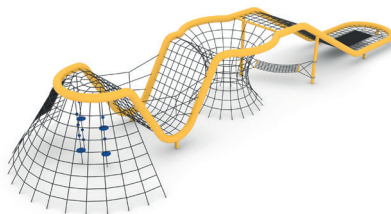

B2: Junior Multiplay
Hags – Unimini (3-5yrs)

PERRY PARK ENHANCEMENTS
