

Berrandale Road Public Open Space

Landscape Improvements Public Consultation

We would like to seek your views on the proposed landscape improvements to the Public Open Space at Berrandale Road. Birmingham City Council’s current Play Policy aims to provide and maintain a play area within 800m of every dwelling within the city. The nearest play area is currently 1.5km away.

The proposed improvements to Berrandale Road Public Open Space aim to provide residents of the Firs and Bromford with a vibrant new community space for all ages, including a brand new Play Area (specifically for young families with children up to 12 years old), Outdoor Gym Area (for older children and adults) and the possibility of a future community growing space and tree planting. Please refer to the concept layout plan for our initial ideas and the images included below. Subject to all approvals and a budget being identified, we estimate the construction work for the park may be able to start in late Spring / Summer 2023.

We would like to hear your views on these ideas:
