

## QUESLETT NATURE RESERVE CONSULTATION RESPONSES SUMMARY

Consultation Ended on 3rd March 2023

Number	Do you support the proposals at Queslett Nature Reserve?	Reason	Any other changes you'd like to make
1	Yes	I was the one who proposed the re-naming of the main pathway and adjacent woodland in The Queslett Nature Reserve To Linnecor Way and Linnecor Woodland. Cllr Keith Linnecor did a lot in the area for conservation and the local environment. He was a great loss to the family and the community as he was very popular. Still not one hundred per cent sure about removing one of the fence panels. But we will see how it goes	Around the edge of the lake needs to be cleared of life saving rings and other rubbish and perhaps some clearance to make easier for bird nesting and such. There is a need for a more secure life saving ring cradle. As it is an on going problem of the ring being removed and thrown (usually at the swans) in the lake. The rings build up and look unsightly. More signage is needed at the two other entrances in Booth Farm Way and Boothes Lane. Also, a notice board by the lake would be good. Some of the wooded fencing in Boothes Lane need to be removed
2	Yes	Fully in support of any plans designed to improve the space. It is a key part of a	no
3	Yes	Out of respect for Keith Linnecor who was instrumental in forming the QNR	I would love to see trees and benches dedicated to deceased patrons of the QNR.
4	Yes	Nice touch to name it after Keith Linnecor since he was so crucial in developing	A Nice place to sit and look over the lake would be good if possible. But I can see why you wouldn't want to chop down trees etc to achieve it.
