

# Reddings Lane Park Public Consultation

## Results

We have conducted an online consultation on Be Heard and a physical questionnaire to understand the opinions of the local residents' to better understand the priorities of the landscape improvements proposed at Reddings Lane Park. We received 41 responses and out of those, 95% of people agree with the proposals.

In the consultation, we have asked the contributors to rate the 17 proposed landscape improvements from 1 to 10, 1 being the most important and 10 being the least. In the charts below, we have a summary of the responses, considering that all the improvements were very popular they have been ordered in ascending numerical order regarding popularity.

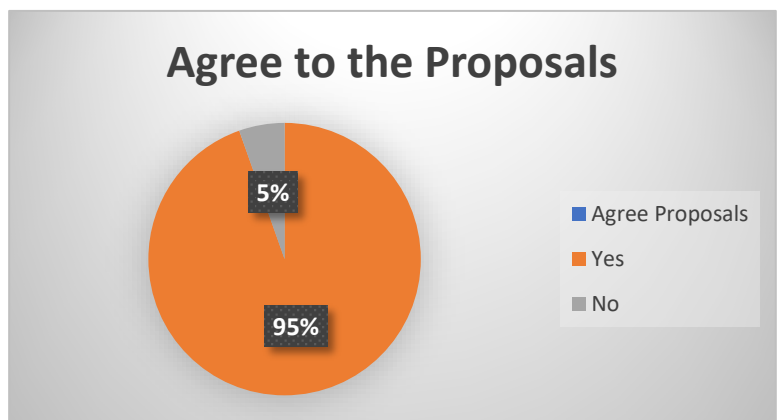

Most contributors have ranked "Play Area Improvements" as the most important, closely followed by "Play Area Extension" being rated as the 2nd most important. The New Signage has fallen in at last place preceded by increasing the number of passing places. Items such as the new wetland, drainage and fencing to the northwest corner have fallen in the mid-range.

Out of the options for the play equipment Sutcliffe play big sky swing was the most popular with 19 votes, closely followed by GL Jones Ability Whirl with 18 votes. Hags Unimini Jorros and Sutcliffe Play Small Metal Seesaw have fallen into the mid-range with 14 and 13 votes respectively, whilst Hags Dragonfly was the least popular with only 8 votes closely preceded by Wicksteed Babel Drum with 10 votes.

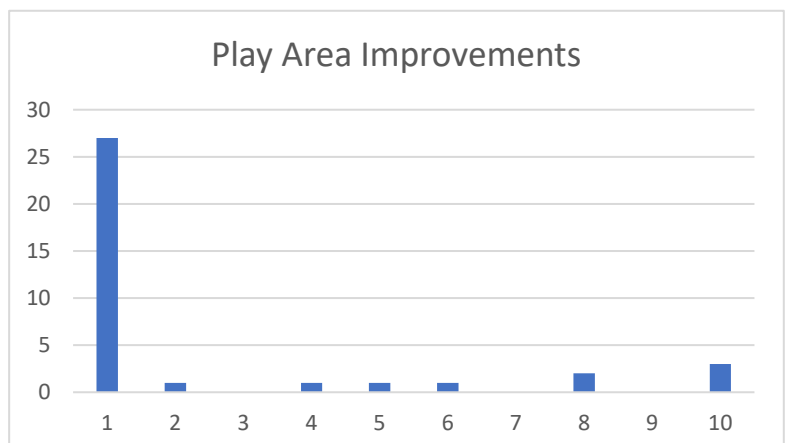

There was a selection of gym equipment for the local residents to choose from, out of these the Lat Pull and Chest press came out at top position with 20 votes which was followed by the Air Skier with 18 votes. The Multi-Purpose Fitness Frame and the Air Walker fell at the mid-point with 14 votes each and the Single sit-up was the least popular with 8 votes, a full 5 votes less than Tibas with 13 votes.

We shall take these results into consideration during the design process.
